Hugo Finds a Dinosaur

Hugo packs his orange backpack. Sticky and Julien come too. Where are the dinosaurs?

Stomp, stomp, stomp! Five big footprints lead away. Where are the dinosaurs?

Hugo follows them into the fluffy green ferns. Swish, swish! Where are the dinosaurs?

Look! Three speckled eggs in a sandy nest. Where are the dinosaurs?

Here! A big green dinosaur peeks out from the ferns. "Hello!" says Hugo.

Stomp, stomp, stomp! Hugo rides on the dinosaur's back. Hugo feels so brave!

Whoosh! The wind blows Sticky's red cape away. Uh-oh!

The dinosaur stretches up and catches the cape on her horn. Phew! Hugo feels so happy.

Splash, splash! Hugo and the dinosaur drink at the blue pond. Julien dips a paw.

The sun goes down. "Goodbye, dinosaur!" Hugo waves. Stomp, stomp, all the way home.

In cosy pyjamas, Hugo drinks his glass of warm milk. Glug, glug, glug!

Hugo snuggles down with Sticky and Julien. He dreams of dinosaurs. Night-night, Hugo!

Stomp, stomp, stomp, sleep tight, little dinosaur hunter!
